BASE BID DESCRIPTION:

This project consists of rehabilitation to areas of Timmerman Airport's asphalt pavement. Included in this project are approximately 65,000 SY of asphalt sealant (FAA Spec P-608) on the airport's taxiways and approximately 12,000 SY of asphalt mill and overlay on the North ramp. The project also includes airfield marking.

CBDP concurs with the DBE participation for the above recommended Bid. Please refer to the approved Form DBD-014C attached to the bid recommendation.
